A screenshot of a web browser window displaying a form titled "STUDENT DETAILS". The form is contained within a light gray frame with a dark gray header and footer. The header area contains the title "STUDENT DETAILS" in a bold, black, serif font. The form itself has a light gray background and is flanked by dark gray vertical bars on the left and right. It contains five input fields, each preceded by a label in a bold, black, serif font: "STUDENT NAME", "ENTRY NUMBER", "EMAIL ADDRESS", "CONTACT NUMBER", and "HOME CITY". Each input field is a white rectangle with a thin gray border. At the bottom of the form are two buttons: "Submit" and "Cancel". Both buttons are light blue with a gradient and a thin gray border. The browser window has a standard title bar with a small icon on the left and minimize, maximize, and close buttons on the right.

STUDENT DETAILS	
STUDENT NAME	<input type="text"/>
ENTRY NUMBER	<input type="text"/>
EMAIL ADDRESS	<input type="text"/>
CONTACT NUMBER	<input type="text"/>
HOME CITY	<input type="text"/>
<input type="button" value="Submit"/>	
<input type="button" value="Cancel"/>	

A Java Swing window with a title bar containing a small icon, a minus sign, a maximize button, and a close button. The window has a light gray background and is divided into two horizontal sections by a dark gray line. The top section contains the text "Enter the 'Entry Number' of the student" in bold black font. The bottom section contains a white text input field, a blue "Delete" button, and a blue "Cancel" button, all centered vertically and horizontally.

Enter the "Entry Number" of the student
